

**WE'D LOVE  
YOU TO  
HELP US**

**WE ARE  
MACMILLAN.  
CANCER SUPPORT**

**HELLO!**

As your local Fundraising Manager for Macmillan Cancer Support, I wanted to let you know about a few ways that you can help local people affected by cancer. Did you know that almost **one in two of us** will get cancer in our lifetime? This is a disease that will sadly affect everyone in our community in some way. We rely almost entirely on voluntary donations and without the support of local communities we simply wouldn't be able to provide our current services, let alone build more support in the future.

## **WAYS YOU CAN HELP**

- Invite me to speak to your local group
- Organise a fundraising event
- Volunteer your time

In return, I can share information about our local services and how your support can directly help people in this community.

Give me a call if you'd like to meet for a cuppa and a chat, I'd love to hear from you!
