135.19 Adjournment for Public enquiries

- A member of the Bradley In Bloom group advised that they would like to work on the grounds of the Village Hall to enter the ‘Your Neighbourhood’ competition as part of the ‘In Bloom’ scheme, and would like to know what the Parish Council would allow on the part of the car park that they own. A Member advised that quotes had been received for resurfacing work on the car park but as this would be an expensive job, it wouldn’t be done in the near future, therefore temporary items such as raised beds which can be moved were suggested. The ‘In Bloom’ group will put together a plan to bring back to the Council for discussion. They are also having a meeting on Friday lunchtime to discuss their plans and the Parish Council were invited along.

- A resident asked about the naming of the new development on Matthew Lane. This area had been known as Waggon Croft since 1843 and it was felt this historic name should be retained. The developers had already suggested Meadow Close for the development. The Clerk would ask if Waggon Croft could be used instead.

Going forward Members of the group will adopt a footpath to keep maintained. It was suggested that neighbouring landowners should be contacted to liaise with the group.
