PHOTOGRAPHY ENTRIES

The Village Hall Committee would like to place photographs of Bradleys Both in the Village Hall. All age groups are eligible. This description can include wildlife, street scenes, gardens and landscapes etc, provided that there is a connection with Bradleys Both.

The judge will select the most suitable photos. They will probably include the winning entries, but not exclusively.

Those selected will be asked to give their permission for display in the Village Hall for one year. The Village Hall Committee will provide a form of instructions to each selected entrant to sign and return.

The owner of each selected photo will be asked to have it enlarged to 12" x 8" or A4. The judge will advise on the best size and format.

The Village Hall Committee will mount, frame and hang the photo in the Hall for one year until the next show, and return the framed print to the owner.

The Village Hall Committee will refund the reasonable costs of standard printing and postage, and pay for the framing.

This is a great opportunity for your photograph to be seen by users of the Village Hall for the coming year.
