

# *BRADLEY PARISH COUNCIL*

## *Risk assessment Report 2025*

### **AMENITIES AREA**

One side of the weir bridge under the canal is blocked.

Wall at the entrance of the canalside car park has been knocked down

**Action:** Repair wall quote received. Report blockage to Canal & River Trust

### **CEMETERY & SWEET CROFT**

Gravestones need checking for movement, 1 in particular (Mawson) has no support on one side.

Strimming between old graves required

**Action:** Sexton asked to check the above grave and do gravestone report on all.

Ask Frank to strim the older graves.

### **PUBLIC TOILETS**

Facia board has rotted, roof is covered in moss but sound.

**Action:**

### **SPORTS PAVILION**

A new vinyl floor has been laid in the kitchen area.

Changing rooms need cleaning.— Were cleaned before Embsay football commenced.

### **PLAYING FIELD**

Noticeboard needs cleaning and the back board is warped. Cleaned Perspex.

Vegetation in the beck needs clearing from willow tree to the gate.

Artisan well is blocked and overflowing.—Richard has unblocked the drain again.

Litter bin by the car park is rusted and should be replaced.

**Action: Report bin to NYC see quote for new bin!**

### **VILLAGE HALL CAR PARK**

Pot holes

**Action:**

### **PLAY GROUND**

As ROSPA report

Rockers are loose and rusting

Bench has fungi growing on the seat

Weeds around the perimeter need to be cleared.

Some welding to be done on climber

**Action:** Ask Frank to clear weeds—clearance requested.
